

It's been 18 months since our last price rise..

Price List Effective March 2011

Dear Dalson Park family members,

I know you appreciate our efforts to keep costs down, against the rising costs of doing business, Insurance, and caring and feeding for your friends here.

Unfortunately, we need to notify you of a small price rise, \$5, our first since July 2009.

Our goal is to offer you the best teaching, instruction and agistment possible, along with great value monthly rates on multiple lessons.

- ✓ **Expert supervision**
- ✓ **Well trained quiet horses**
- ✓ **Safe & positive environment**

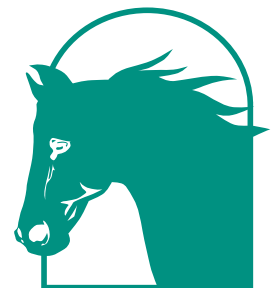

Please talk to me if you have any concerns,

Sincerely
Todd McDonald
