

Megan's holiday romance at Dalson Park

Megan is just your typical 11 year old girl. Beautiful smile, loves Hannah Montana, likes to chat on MSN and got a little mobile phone for Christmas. She also fell in love these school holidays – but thankfully, not with a boy! Eve is a beautiful 15year old chestnut Australian riding pony, and together Megan and Eve passed away some happy busy days at the Dalson Park Indoor Equestrian Centre Holiday Pony camps.

Megan's mother is thrilled. She has already enrolled Megan for regular lessons each Wednesday afternoon after school to continue the confidence and skill building she saw blossom in the school holidays. "I wanted to start the year fresh with an activity that would build her fitness, when other new children were beginning."

"As a family, we've seen her confidence grow in leaps and bounds over the last months. I believe it's to do with the way she has been taught by Todd and Robyn at Dalson Park. Megan now has confidence managing a large animal with firmness and kindness. She learnt how to care for a pony from the ground up, and is so comfortable in the stables now."

"Riding a horse well is something I have always wanted to do, but I never found the time - so I love being a part of this with Megan."

Don't put this off till later. Call quickly to book a place for you or your child this semester. Lessons available 6 days, rain or shine, night and day. Special offer - join with a friend or family member and you both receive a limited edition Dalson Park cap.
